Manage your Email Preferences - Summer 2025

Hey OPS-COM Community! 🎉 Get ready for some fantastic news that's going to make managing your email preferences a breeze! We've heard your feedback, and we're thrilled to announce that we're rolling out a brand-new, super easy-to-use unsubscribe option for our email communications! 🚀

Say goodbye to those manual unsubscribe requests that were taking up valuable time for your parking office staff. This exciting update puts you in control, allowing you to effortlessly manage the emails you receive from us. Not only is this a big win for your team's efficiency, freeing up their time to focus on what matters most, but it's also a significant step forward in ensuring your privacy and security. Think of it as a little extra dose of client delight, making your experience with OPS-COM even smoother and more enjoyable. Stay tuned for the official launch – we think you're going to love it! 😊

Add Images to Appeals - Summer 2025

🎉 Guess what's coming to OPS-COM? 🚀 We're making the appeals process smoother and faster for everyone! Soon, you'll be able to directly attach supporting documents to your appeals! 📎 No more extra steps or back-and-forth – just easy uploading of your evidence. This means less time spent for our awesome admins and a much simpler experience for you. Get ready for a delightful upgrade! ✨

New Account Setup Options - Summer 2025

Fantastic news, OPS-COM users! 🎉 We're thrilled to introduce **new, streamlined option** for creating your account! Now, you'll have the choice to set your password **right away** during signup, making your first login super quick and easy. 🚀

Don't worry, the existing method of setting your password via email after signup isn't going anywhere! We understand that different workflows require flexibility, especially for our higher education partners who need seamless kiosk access. That's why we're implementing this as an **additional option**, giving you the power to choose the account creation method that best suits your needs.

Our goal is to make OPS-COM as user-friendly as possible, and offering multiple account creation pathways is a big step in that direction. Get ready for more choices and an even smoother experience! 😊

Display Waitlist Position - Summer 2025

🎉 Exciting news for OPS-COM waitlists! 🎉 We're making it super easy for your clients to see their sp If you turn on this option, your users will be able to clearly view their position on the waiting list without any additional clicks. This means less stress for your users and fewer calls for your Parking team – win-win! Get ready for a much smoother and happier waitlist experience! 🥳 Coming soon in Summer 2025.
