The process is almost the same for the user portal. An end user can set their permit to not renewing. Simply find the permit on the User Dashboard and click on the permit button.

The dashboard displays the following information:

- Personal Information:** Mr. John Doe (johndoe), john.doe@tomahawk.ca, 123 Any Street, AnyTown, Ontario k0A1A0, Employee Number: TU2346.
- Vehicles:** ABC316, Ontario, Passenger, Active, 2000 Hatchback Black Dodge.
- Unpaid Violations:** TT-19013, \$75.00, Issued: November 16, 2022, Due: November 26, 2022, ABC316, Parked in No Parking Area.
- Active Permits:** CSL-03, M: November 2022, Company Staff lot, \$30.00.
- Active Deposits:** (Empty section)

Select **Not Renewing** from the dropdown list in Permit Information.

The **Permit Information** modal displays the following details:

- Company Staff lot** (with a Print button)
- Permit Holder: John Doe
- Sale Window: November 2022
- Permit Number: CSL-03
- Rental Cost: \$30.00
- Permit Renewal Status: **Not Renewing** (selected from a dropdown menu that also includes 'Renewing')

When you process the rollovers, this permit will not show up in the list. Instead, it will show up in a separate list called "**Permits that will not be rolled over.**"

Permit Rollover

From **November 2018** → To **December 2018**

This is for rolling active permits from the current active sales window to the selected future sales window.

Rollovers can be performed multiple times. If the permit already is associated to the user in the new Sales Window, it will be ignored.
