

Refundable Parking Deposits

Setup Deposit Options

Setup and manage your Deposit options.

Apply Deposit Types

Now that your deposit types are in place, they can be applied to specific lots. To do so, go to the **Parking Management Menu** and hover over **Lot Administration**, then click on **Pricing and Lot Admin**.

Once in **Pricing and Administration**, select the lot you wish to apply the deposit to by clicking on the lot name.

Once the deposit type is associated to a lot, it will then be included in the purchase of a permit in that lot for admins only.

Let's have a look at a permit purchase with deposits in place. Go to a user's profile and select the **Parking** tab.

The screenshot shows the user profile for Julie Parsons (jparsons). The 'Parking' tab is selected and highlighted with a red circle in the top navigation bar. Below the navigation bar, there is a 'People Alarm' section. The main content area is divided into two columns. The left column, titled 'Basic Profile Information', contains fields for 'User Directory' (OPSCOM), 'User Type' (Complimentary), 'Company' (Jones Windows: 197102), 'Username' (jparsons), 'Name' (Julie Parsons), 'Email Address' (jp@rollingrock.com), and 'Auto Login Address' with a 'Login as user' button. The right column, titled 'Vehicles', contains a table with two rows: 'Active' (JULPAR, Passenger, Ontario, BMW, 2013) and 'Inactive' (ASDA347, Passenger, Ontario, Honda, 2011). Below the vehicles table is a 'User Notes' section with a note from 'Tomahawk' dated May 18, 2018, at 3:17 pm, stating '05/18 Tester Notes - No Subscription, Monthly allocation, Permit #COM100, Company member, in a different lot than other company members.' There is also an 'Add Note' button.

Status	Plate	Type	Province	Make	Year
Active	JULPAR	Passenger	Ontario	BMW	2013

Click on **Standard Parking Permit** to begin the permit purchasing process.

Select the lot you wish to register the client to. In this case we select the **Green Staff Lot East**.

The screenshot shows the 'Parking Permit Registration' form. A red arrow points to the dropdown menu for selecting a lot. The dropdown menu is open, showing a list of lots with their available spaces. The 'Green Staff Lot East' lot is selected and highlighted in blue. The other lots in the list are: '[Y] - After 4PM [31 available]', '[Y] - After 4PM [31 available]', '[M] - Lilac - Daily Reserved [26 available]', '[Y] - Red Staff Lot West [3 available]', '[Y] - Red Student Lot West [32 available]', and '[M] - Teal - Complimentary [26 available]'. There is also a 'Show User's default Lots' checkbox and a 'waiting list' link.
