A screenshot of the 'Search Incidents' form within a software application. The form has a title bar 'Search Incidents' and a section titled 'Incident Search'. It contains several input fields: 'Occurrence #' with the value '16-0004', 'OPS #' (empty), 'Reported by (Officer):' (a dropdown menu), and 'Reported Dates:' (a date range selector). A 'Search' button is located above the 'Occurrence #' field, and a 'clear' button is at the bottom right of the form. The application's top navigation bar is visible, showing various icons and a 'Quick Search...' field.

3. The **Incident Information** screen displays. *Note: the tabs along the top of the form, they provide a quick summary of information.*
- Under the '**Related**' tab we currently see the numeral 0 indicating that there are no incidents related at this time. When you select the **Related** tab, the button to **Track Related Occurrences** will appear.
