

Collections - Flag as Sent to Collections

1. To set the flag, open the violation search page.

2. Enter the violation that is being flagged. In this case it is TT-10001. Select the ticket # to open the Violation Information page.

The screenshot displays the OperationsCommander web application interface. On the left, a search form is visible with the following fields and values:

- Search Text: tt-10001
- First Name: (empty)
- Last Name: (empty)
- Student / Employee #: (empty)
- Drivers Licence: (empty)
- Date Search by: Issued Date
- Start Date: (empty)
- up to and including: (empty)
- User State: All

Below the search form, a table lists one record:
