

History Search

Performing a History Search

Click **Admin Options** and **History Search**.

The **History Dump** page will be displayed. You can search by typing in any **Student/Employee Number**,

History Dump

Account Number	<input type="text" value="TU8456"/>
Ticket	<input type="text"/>
Description	<input type="text"/>

Violation Ticket...

History Dump

Account Number	<input type="text"/>
Ticket	<input type="text" value="01-10013"/>
Description	<input type="text"/>

History Description or a combination of the three. In this example, we are searching by the Violation Ticket. Click "**Submit**" to search.
The page will refresh - here you will see some, or all of the ParkAdmin history based on your search criteria entered above.
