

# Lot Zones

## Managing your Lot Zones

Click **Admin Options**, **Parking** and **Manage Lot Zones**.

The **Manage Lot Zones** page will display and you can choose to **Add** or **Edit** a **Lot Zone**.

## Manage Lot Zones Add Lot Zone ?

Name	Short Name	
Centrum	1 record.	<a href="#">Edit</a>
Day Care	3 records.	<a href="#">Edit</a>
Garage L1	1 record.	<a href="#">Edit</a>
Garage L2	1 record.	<a href="#">Edit</a>
Garage L3	<a href="#">Delete</a>	<a href="#">Edit</a>

To **Add** a new Lot Zone, click the **Add Lot Zone** button. Enter the name of your new Parking Zone. When finished, click **Save Changes**.

### Manage Lot Zones

Select A Zone ▼

Add Edit

**Zone Name:**

Add Zone

To **Edit** a Lot Zone, click **Edit** next to the Lot Zone that you want to edit. Enter the changes that are being made, then click **Save Changes**.

## Manage Lot Zones

Club THawk ▾

Add

Edit

Zone Name: Club THawk

Usage: No lots are currently using this zone.

Update

Delete

Only Zones with no records can be deleted, to delete a Zone, click **Delete**. Then on the confirmation window, select **Delete**.

The screenshot shows a web application interface for managing lot zones. A modal dialog titled "Delete Lot Zone" is open, asking "Are you sure you wish to delete this Lot Zone?". The dialog has "Close" and "Delete" buttons. In the background, a table lists lot zones with their respective record counts and action buttons. The "Garage L3" zone has a yellow "Delete" button, while others have "Edit" buttons.

Zone Name	Records	Action
Centrum	1 record.	Edit
Day Care	3 records.	Edit
Garage L1	1 record.	Edit
Garage L2	1 record.	Edit
Garage L3		Delete, Edit
