

QR Code User Experience

The User Experience

The user will scan the QR code with their phone

QR Code

and be taken to the Purchase Permit page for that lot. Alternately, the user can use the direct link associated with the QR code (if provided)

QR Code

Print this QR code and post it in the lot area.

 Download QR Code

 Print QR code

Upon your first visit to the page, you will be prompted to accept the Guest Disclaimer.

Since the QR code is specific to the lot you wish to make a booking in, the lot will already be selected.

You must then enter your vehicle plate and the expected duration of your stay.

Make Payment

Once you have selected the plate and duration, you will need to select the payment method. In most cases, the list will only contain the payment provider you are supported by.

In this example, the payment method is EdgeExpress.

Note: the process from this point may vary slightly from one payment provider to another, but all follow a similar path.
