

Relations

Adding a Relation to the List

Click **Admin Options**, **Incidents** then **Relations**.

You will be redirected to the **Relation Administration** page.

Relation Administration

Officer	Update
Other	Update
Witness	Update
Victim	Update
Complainant	Update
Suspect	Update
	Insert New

You can **add** or **edit** your Relation Options.

- To **edit**: Select the relation you wish to edit, change the textbox as desired, and click **update**.
- To **add**: Select the empty textbox at the bottom, type in what you want as the relation, and click **Insert New**.
