

Text2ParkMe - Usage

In **Parking Management**, hover over **Permit Management, Temporary Permits**, and click '**Text2ParkMe**' then '**Current Usage**'.

The screenshot shows the OperationsCommander web application interface. On the left, a sidebar menu is open under 'Parking Management'. The path is: Parking Management > Temporary Permits > Text2ParkMe > Current Usage. The 'Current Usage' option is circled in red. The main content area shows the 'OperationsCommander' logo and some text about maintenance windows. On the right, there are tabs for 'Primary' and 'Standard' views. At the bottom, there is a calendar for September 2019.

This will take you to the **Text2ParkMe - Usage** page where you can enter information to get the usage report that you want to view.
