Other Page Links

The **Adjust link** allows administrators to make adjustments to transactions/payments that have been processed.

The **Item Number link** (locker number, permit number, violation ticket number, appeals record number) allows administrators to view/edit details about the item.

Click the 'Update' button to save any changes you make.

The **Pay Date link** indicates whether or not a transaction was fully processed, when it was processed and when selected it links to the payment details.

Administrators can view/edit other details of the transaction, complete the processing of a payment, no refunds or make adjustments.
