All selected (3) ▾

Several search options are available.

- **Start date** - the starting date for the search.
- **Up to and including** - the ending date of the search.

- **Show in results** - which columns to include in the search results. Only fields marked as searchable will appear here.

Additional search options can be shown by clicking the **toggle more options** button in the top right.

The screenshot shows a web interface titled "Viewing Entries for: Parking Survey". In the top right corner, there is a button labeled "Toggle More Options". A red arrow points from the bottom right towards this button. Below the title bar, there are two input fields: "Start Date" and "Up to and including". Below these fields, there is a "Show in Results" section with a button labeled "All selected (0/4)". At the bottom of the interface, there is a large blue button labeled "Search".

Any fields marked searchable will appear here, providing a text box a search query can be placed in.

This can be used to narrow the search to specific values on each field.

Save Changes

The field entries can be edited as needed, and values can be added to any admin-only fields.

To save any changes, press the button at the bottom of the menu.

Admin-Only Fields

Form fields marked as admin-only will be marked by a blue border.

Hovering the mouse over top of the border will show a tool-tip about the field.

Do you have any additional comments?

This field is admin-only and cannot be seen or filled in by the user.
