

Access Cards - Add Bulk

1. Click **Admin Options**, **Access Cards**, and **Add Bulk**.

2. The **Access Card Number Administration** page displays. To add **Bulk Access Cards**, fill out the required boxes, and click "**Add Access Cards and Associations**". Please note, the range must be contiguous. You cannot have gaps in the range or you must add them as separated ranges.

Access Card Number Administration

This will **Add** the listed Access Cards to be associated with the listed lot.
