

# Sending Alerts to Handhelds

In the **Admin Options** menu, hover over **Violations**, then click **Handheld Common**.

The **Handhelds - Common Settings** page displays. Click the '**Push Message**' button beside the handheld that the alert is being sent to.

## Handhelds - Common Settings

<b>Organization:</b>	Tomahawk University
<b>Country:</b>	Canada
<b>Client ID:</b>	OC_TOMA
<b>Ticket Footer:</b>	This parking ticket is due within 14 days. Failure to settle this parking ticket will result in the account becoming delinquent and subject your vehicle to collections and/or towing.

The '**Push Message Alert to Device**' screen displays. Enter the text for the alert being sent out in the Message section.

You can change the Icon that will be sent to the handheld to show the **type of alert** by opening the Icon drop down menu.

Click '**Send**' to push the alert to the chosen handheld.
