

Company Permit Report

1. In **Parking Management**, hover over **Permit Management** and click **Reports** then **Company Permit Report**.

2. The **Company Permit Report** screen will display. You can filter by **Processed On/Active on** dates or by **Company**. Enable the check box if you want to show archived permits in your search results. In this case we are looking for 'Jones Windows'. Enter this in the company box and click **Search**. The active on field is the date that the sales window is active for.
