

Locker Switch

1. Hover over the **Locker Management** icon and click '**Locker Switch.**'

2. Select the '**Old Locker Area**' and the '**Old Locker Number**'. Confirm that it is associated with the correct person.

Select the '**New Locker Area**' and the '**New Locker Number**'. Click the '**Switch Old to New**' button to change a person's locker assignment, or click the '**Swap Old with New**' button to swap lockers between two registered users.

Locker Switch	
Old Locker Area	Arena - Men's Locker Room ▼
Old Locker #	4 ▼
Registered to	✉ Rockwood, James [jrockwood]
New Locker Area	Arena - Men's Locker Room ▼
New Locker #	1 ▼ <div>locker is rented</div> <div>locker not available</div>
<div>Switch Old to New</div> Select this to change a users current locker assignment.	
<div>Swap Old with New</div> Select this to swap lockers between registered users.	

3. The **Locker Switch Confirmation** page is displayed. You can type comments in the **Reason for Action** section if needed and click the '**Switch User Locker**' button.
