

# Purchasing a Locker

## Purchase a Locker

Click the **Lockers** tab in the navigation bar.

If the organization has set one up, you will see the Locker Disclaimer. Read the disclaimer carefully and click **I Agree**.

## Locker Disclaimer

**Summer rentals and extensions, must be made in person \*an additional rental fee may apply**

### **Fees and Registration Cost :**

**\$23** for ½ locker valid for use between August 15 to April 30

**\$35** for Full Lockers valid for use between August 15 to April 30

Please note due to supply and demand lockers located in X are subject to rental restrictions of **ONE LOCKER PER STUDENT**. Students are able to purchase multiple lockers in all other areas of the school.

### **Terms and Conditions**

#### **Reminders about the End of Rental Terms**

Two weeks before the end of your Rental Term, an email will be sent to you to remind you that you need to vacate your locker; student should verify that email address and update it. If your locker has not been emptied after your Rental Term expires, your lock will be cut and the contents of your locker will be removed and put into storage. If you do not come to reclaim your belongings from the Locker Administrator within **ten** business days, they will be donated or thrown out. The Locker Program is not responsible for any items subject to removal from a locker.

#### **Locker Access**

The Locker Program reserves the right to access lockers at its sole discretion if there is a suspected security risk or there is an environmental concern such as pest control or odors. Security has the right to enter a locker at any time should they suspect it contains items that put the college or university environment in danger. Any criminal activity will be reported to police. The college or university is required to provide police with access in the event of a criminal investigation.
