### About

About OPS-COM for Android

If you are connecting to a preview system of OPSCOM you will have one additional menu item at the top of the list indicating that fact.

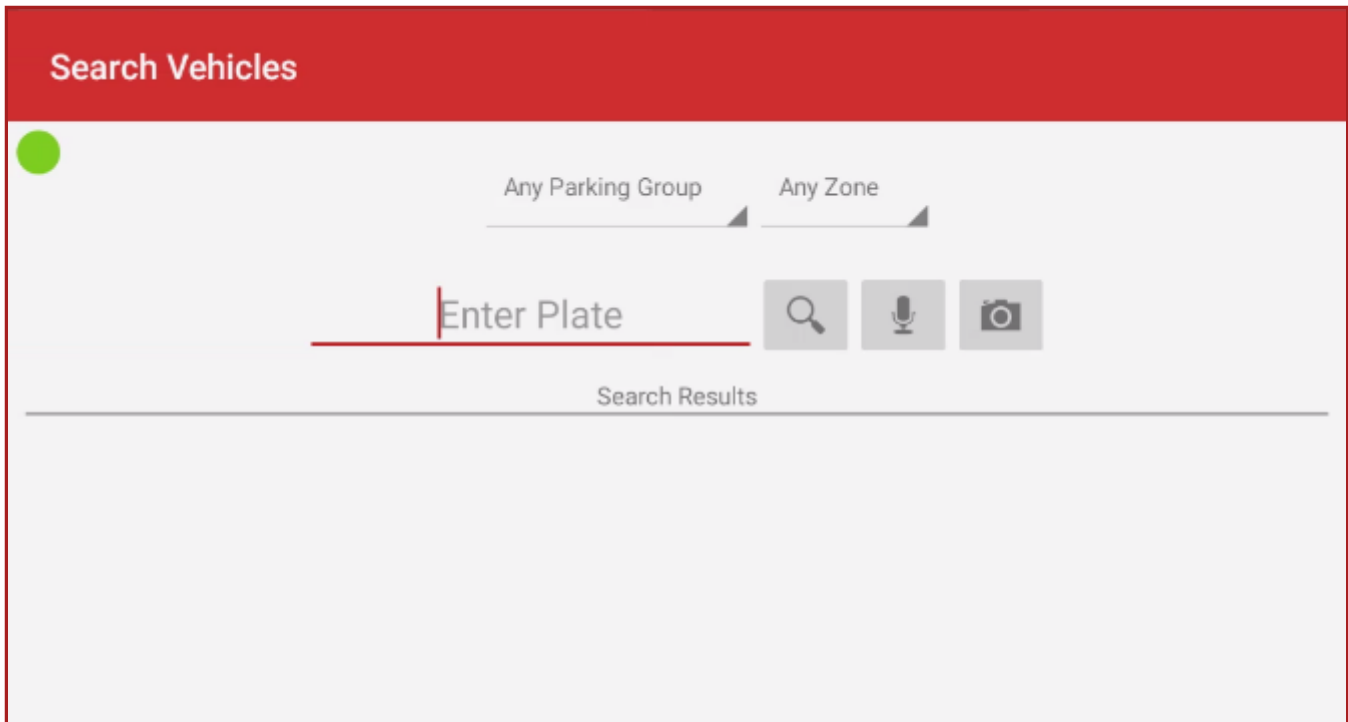

## Search Vehicle Panel

The **green dot** indicates the unit is connected to a wifi or 3G/LTE source.

Static connection is not necessary since the device does maintain a cache of information.

If the dot is yellow that would indicate the unit does not have a connection but searches may still be performed.

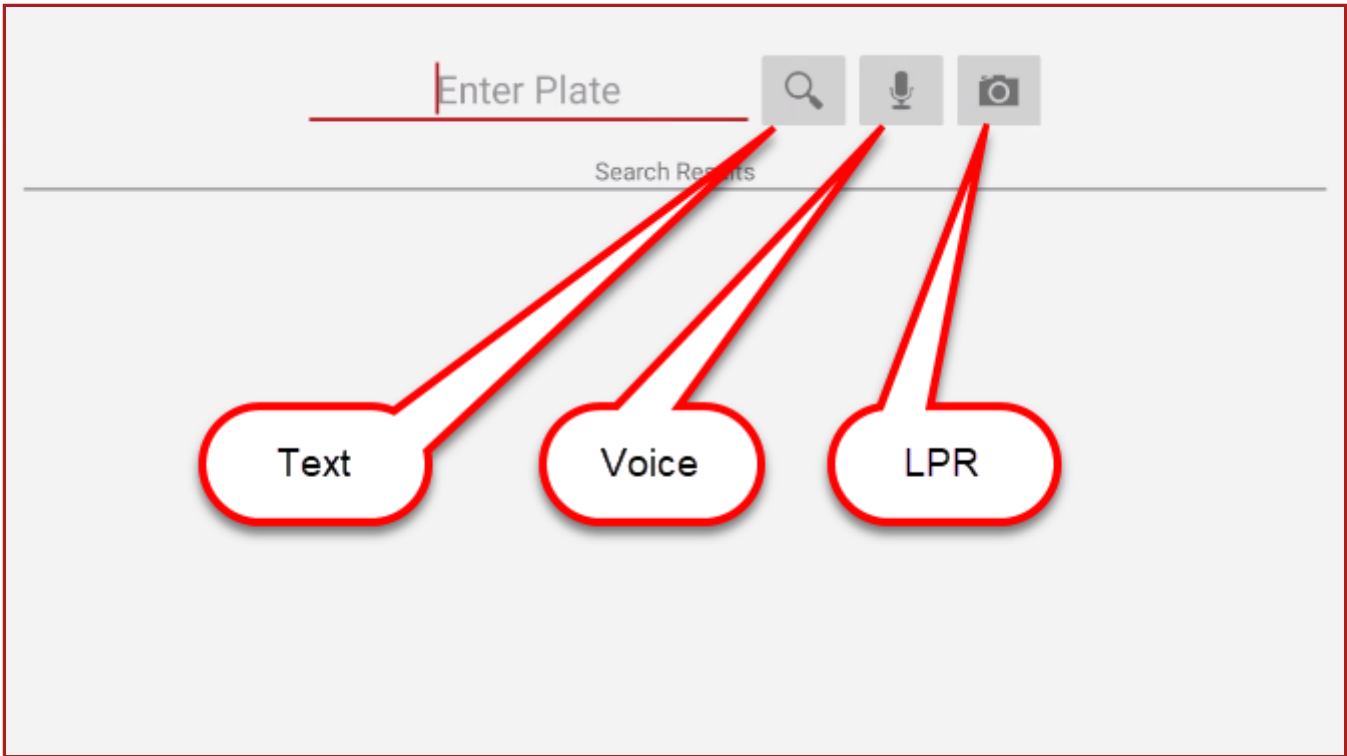

## Entering Search Criteria

There are three methods to enter the plate information.

**Text** using the keypad

**Voice command** using the built in mic

**LPR using OCR technology** through the tablet's camera

## Text Search

**Using Text** - On the Vehicle Search screen, enter the plate number or VIN number that you want to search and tap on the **Search** button.

The vehicle details will appear below the search area.

Example using a plate:

# Search Vehicles

Any Parking Group

Any Zone

BDHE385

2 matching records found

**BDHE385**

Issue a new violation for this unlisted vehicle

**BDHE385**

standard

**BDHE385-ON** - *passenger*

Database query result

Example using a VIN:

## Search Vehicles

Any Parking Group

Any Zone

1234567890ASDF123

1 matching records found

**1234567890ASDF123**

Issue a new violation for this unlisted vehicle

**1234567890ASDF123-BC - commercial**

Database query result

## Voice Search

**Using Voice** - Select the **microphone**.

The google voice recognition "**Say Something**" page appears, say the license plate number out loud.

## Search Vehicles

Any Parking Group

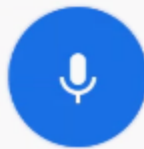

Any Zone

Enter Plate

2 matching records found

Google

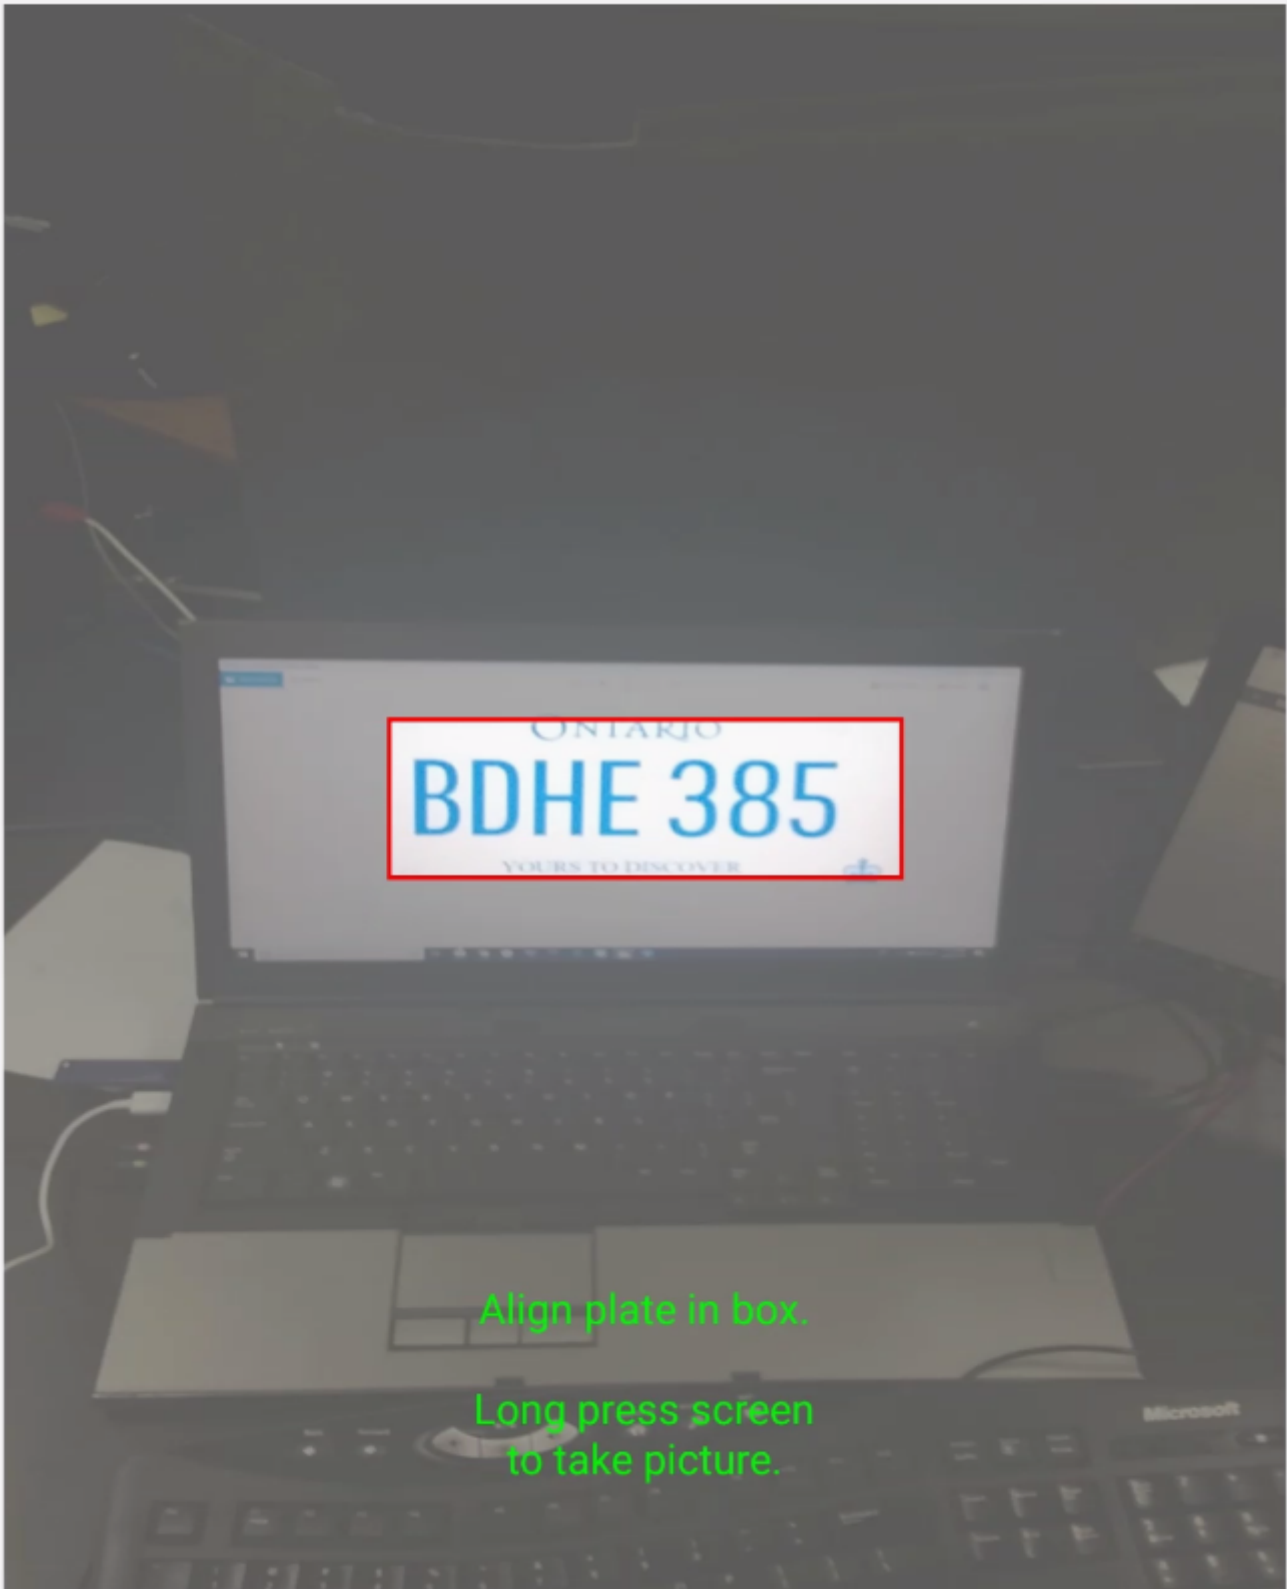

Try saying something

Your audio will be sent to Google to provide speech recognition service. A transcript will be shared with this app.

## LPR/OCR Camera Search

Tap the camera icon to enter LPR Search mode.

## Camera LPR Search

Line up the plate with the rectangle.

**Long press** the screen to take a shot and the screen refreshes with a list of

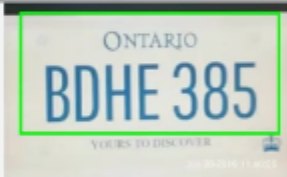

possible plate numbers.

### Search Vehicles

Any Parking Group    Any Zone

**BDHE385**    🔍    🎤    📷

6 matching records found

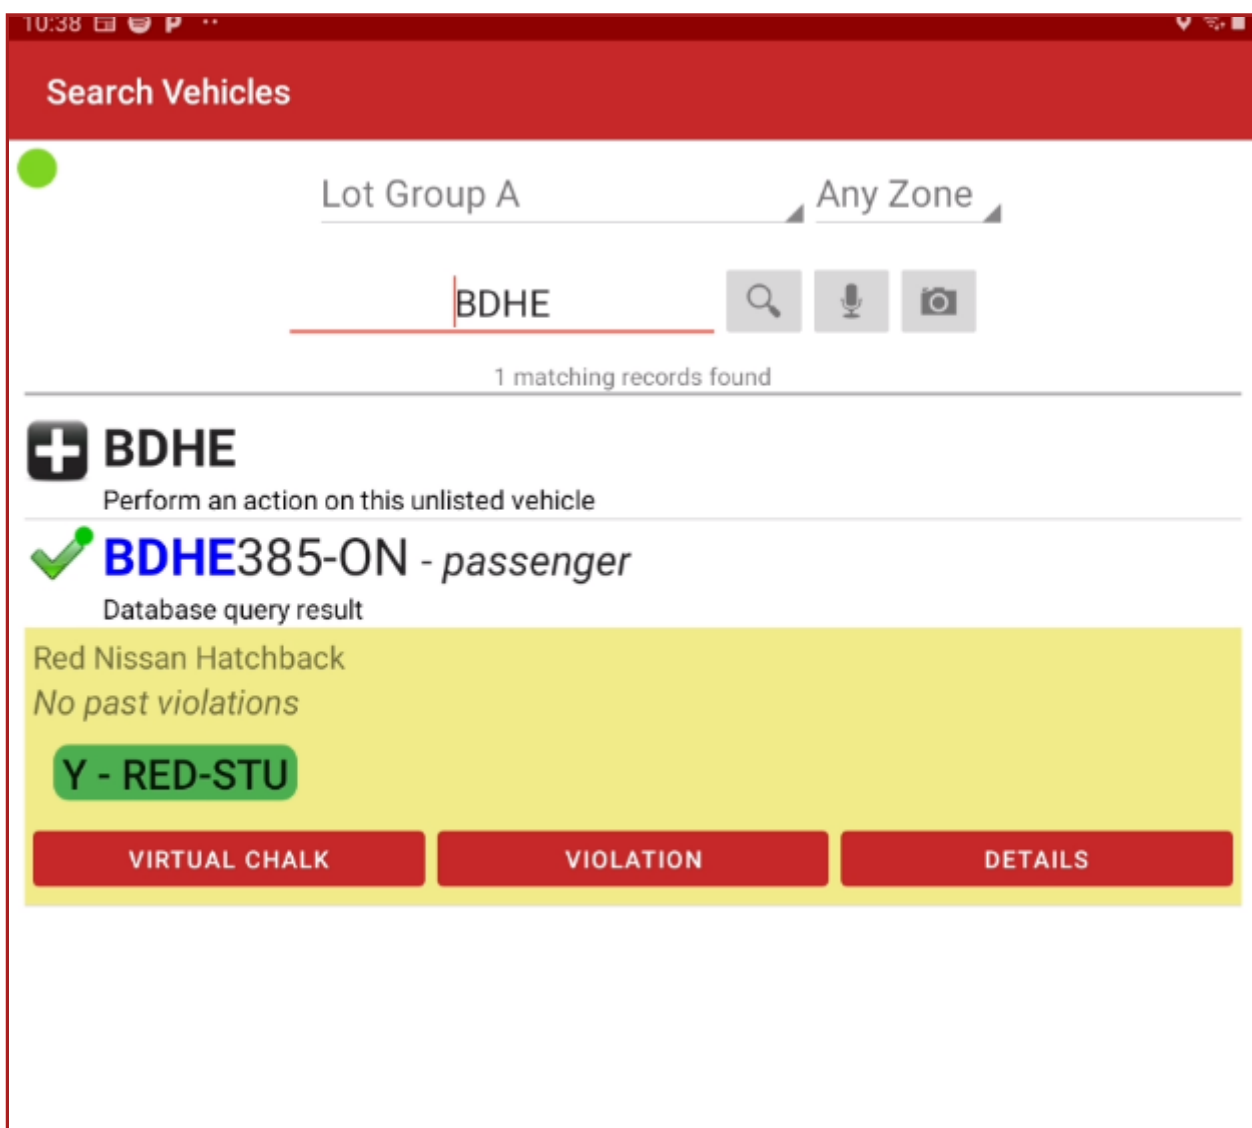

- +** **BDHE385**  
Issue a new violation for this unlisted vehicle
- ✓** **BDHE385**  
standard
- ✓** **BDHE385-ON** - *passenger*  
Database query result
- ✗** **BDHE38S**  
LPR candidate: 86.6%
- ✗** **B0HE385**  
LPR candidate: 86.1%
- ✗** **BOHE385**  
LPR candidate: 86.0%
- ✗** **B0HE38S**  
LPR candidate: 78.5%

Select the plate number that matches the image. In this case tap **BDHE385**.

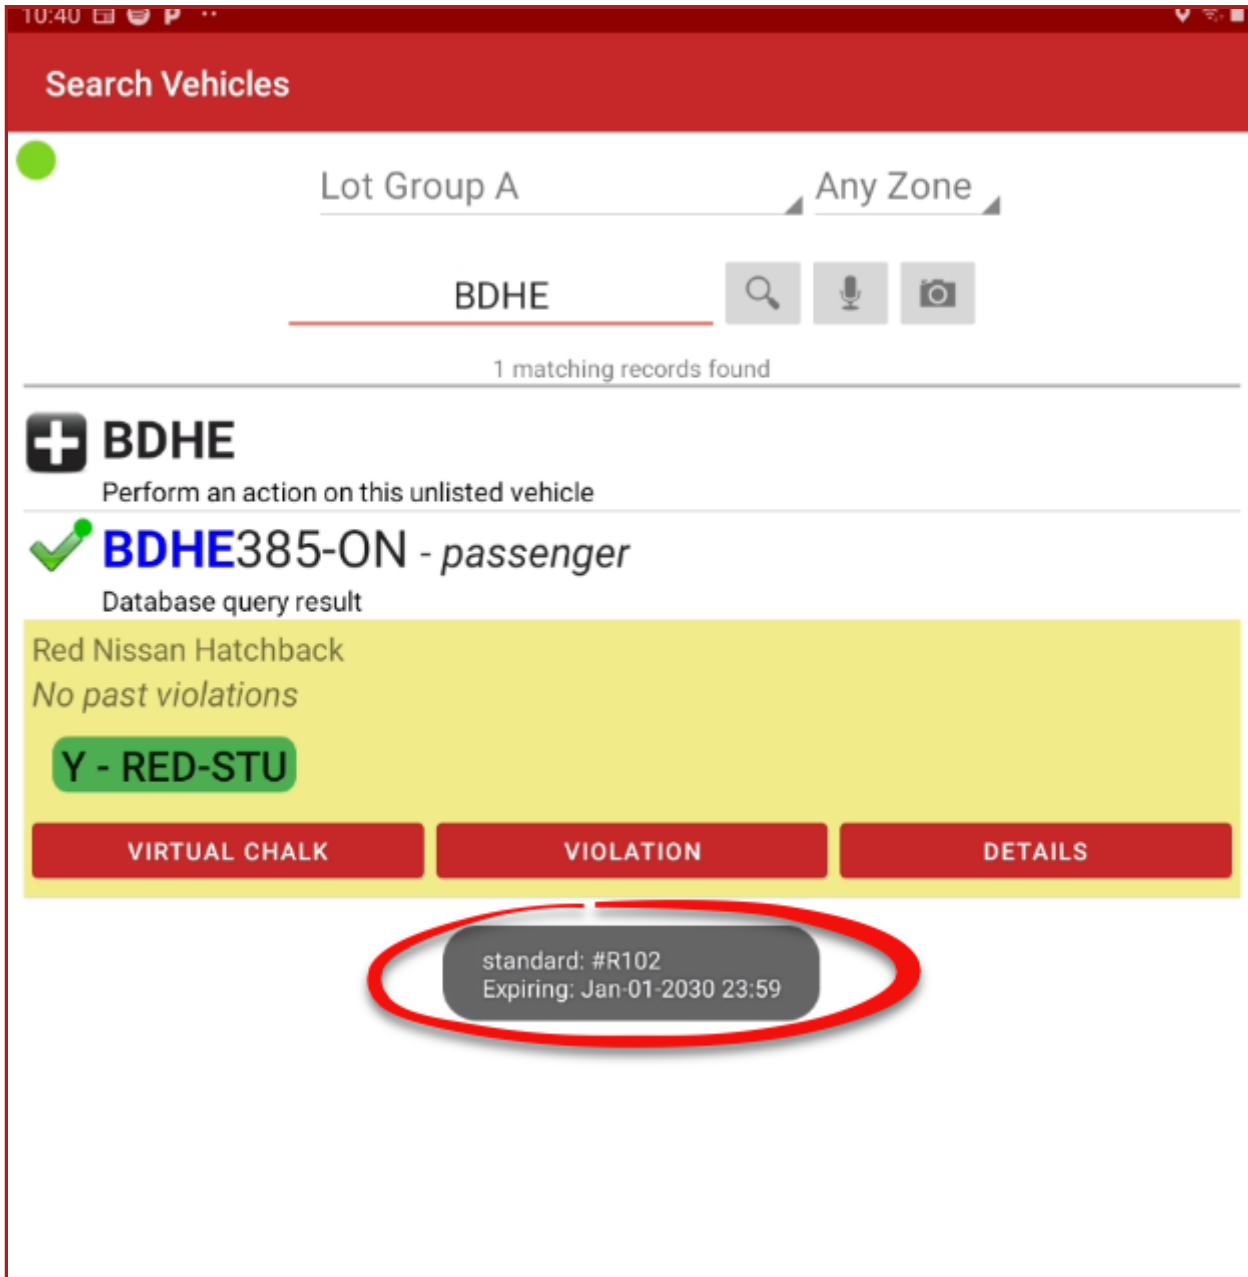

Selecting the vehicle being searched for expands a yellow ribbon which displays available options.

Three buttons will appear beneath the license plate for **Virtual Chalk, Issue Violation,** and **Details.**

Select the permit that appears underneath the license plate number to review the expiry details.

Alternately select the Details button to view all permit details.
