# Add, Edit, and Activate Your Vehicles

Buying permits? You'll add your vehicle here! Edit existing ones, and manage active vehicles—quick and easy. Let's get rolling!

## Quick Steps:

1. Log in, click 'Vehicles'.
2. 'Add New Vehicle', agree to the disclaimer.
3. Enter plate, state, year, plate type. 'Save Changes'.
4. To edit: click 'Edit', make changes, 'Save'.
5. To activate/deactivate: toggle 'Active' button.

## Step-by-Step Instructions:

1. Log in to your profile and click 'Vehicles'.
2. Click 'Add New Vehicle', and read the Disclaimer. Click 'I Agree' to continue.
3. Enter your plate, state/province, plate type, and vehicle year. Click 'Save Changes'.
4. To Edit your vehicle, find it and click 'Edit'. Make your changes and click 'Save'.
5. To Activate/Deactivate, find your vehicle and toggle the 'Active' button.

**Please note:** Not all parking providers support deleting or removing a vehicle after it has been added. Mark your vehicle as 'inactive' before adding a new one. Contact your parking provider to delete the inactive vehicle if it will no longer be used.
