

# Registering as a User

New to OPS-COM? Let's get you set up! To unlock all the cool features like buying parking and managing your stuff, you'll need to register. Here's how:

## Quick Steps:

1. Choose your language. Only the languages that your Parking provider supports will be available.
2. Click 'Continue'.
3. Click 'Create Account' to start.
4. Fill in the profile registration questions.
5. 'Create Account' to hop in.
6. Add the rest of your info.
7. 'Save Changes' to lock it in.
8. Check your email for activation.
9. 'Create Password' and make it yours.
10. 'Confirm' to save it.

**Just so you know:** You'll need to finish your profile before exploring. If you run into any issues, contact your Parking Provider.

## Detailed Instructions:

1. Choose your language and click 'Continue'.
2. On the login page, click the 'Create Account' button and complete the profile registration questions.
3. Click the 'Create Account' button to submit your details. You will be logged in automatically to complete the rest of your profile.
4. You will be directed to your user profile page. You will see a green message that says "Please check your email for an activation link."
5. You must fill out any missing Profile details to continue. These are required by your parking provider.
6. Click 'Save Changes'. You will remain logged in, so you can access your account.
7. Check your email and locate the confirmation email. Follow the instructions to activate your account.
8. Create your password by clicking the 'Create Password' link.
9. After entering the new password, click 'Confirm' to save it in the system.

If you try to do anything else before completing your profile, you will be redirected back to the Profile page to finish your registration.
