OC Prime - Purchasing a Temporary Permit

Purchasing a Temporary Permit

Temporary parking permits can be purchased directly through the user portal for eligible parking lots. The booking process calculates your rate automatically based on your parking duration, vehicle selection, and any promotional or access codes you enter.

How to Book a Temporary Permit

1. **Select a Parking Lot:**
   - Log in to the user portal and click **Permits** in the left-hand navigation menu.
   - Locate your desired parking lot card (or use the **Search** bar at the top) and click the **Temporary Permit** dropdown.
   - Click **Get Temp Permit** to open the booking window.
2. **Choose Time, Vehicle & Codes (Step 1):**
   - **Start Time:** Select **Now** to begin parking immediately, or **Later** to schedule a future arrival.
   - **End Time (Until):** Select **Duration** (use the slider to choose between 30 minutes and 12 hours), **Until Closing**, **Overnight**, or **Other** to set a custom end time.
   - **Vehicle:** Tap your registered vehicle under **Choose your vehicle** to assign it to the permit.
   - **Promo or Access Code (Optional):** Under **Have a promo or access code?**, enter a **Promo code** for a discount or a **Template password** if you were given an access code for special rates.

- Click **Check Price**.

3. **Review & Pay (Step 2):**
   - Review your parking duration, rate breakdown, **Subtotal**, **Discount** (if a promo code was applied), and **Total** on the **Review & Pay** screen.
   - *(Optional)* Click **< Change time** at the top left if you need to adjust your parking window or vehicle.
   - Click **Get Permit — $[Amount]** to complete payment and activate your permit.
