

Phase 4 - Learning to Use OperationsCommander

“ Now that you have OPS-COM setup you can learn how to use it! The self-guided training is divided into modules to help break it down. You can view all modules of the training agenda [here](#).

Paid training is available for clients who wish a more in-depth view of using OPS-COM.

Contact support@ops-com.com for some direction if you are getting confused and they will point you in the right direction or hook you up with paid training.
