Student Permit and Postal Export

1. In **Parking Management**, hover over the '**Permit Management**' icon and click '**Student Permit and Postal Export**'.

2. This will bring up the **Student Permit and Postal Code Report** page. Enter the start date and end date for the report you want to generate. Select

the **Create Report** button to have the report exported to an Excel spreadsheet. The report will look similar to the sample below.

Office Excel: spreadsheet preview is finally here!

You can now display this file as a spreadsheet, instead of a PDF. Re-upload StudentPer...305D4644813.xls to display the new preview.
