Towed Vehicles Report

Using the Report

Hover over **Violations** and then Reports, then click **Towed Vehicles**.

The **Towed Vehicles** screen is displayed. Select your parameters for the search.

Search Criteria include:

- **Start Date** and **End Date:** Set the date range you wish to report on (up to and including the end date).

- **Offense Location:** Filter the results to a specific lot or area, or select "All Locations".
- **Warnings:** Choose to hide, include, or show only warnings that resulted in a tow.
- **Spoiled:** Filter by specific "Spoil Types" to include or exclude nullified records.
- **Appeal State:** Filter based on the current status of the violation appeal (e.g., Pending, Upheld, Canceled).

Click **Search** to view the report results onscreen.

Towed Vehicles

Start Date

End Date

Offense Location

Some towing violations may have been nullified (e.g. cancelled, spoiled, or marked as warnings). Use the filters below to include or exclude these records.

Warnings

Spoiled

Appeal State

The report will appear at the bottom of the screen. The results will only include violations where the "Vehicle Towed" flag is set.

The report displays:

- **Ticket Number:** Click the ticket number to view full violation details.
- **Issued Date/Time:** The exact timestamp the violation was recorded.

- **Towing Charge:** The specific fee associated with the tow.
- **Offense Location:** The zone where the vehicle was towed from.
- **Plate Number:** The license plate of the towed vehicle.
- **State/Province:** The registered region of the vehicle.
- **Drivers:** Displays the name of the user associated with the vehicle plate (if an account exists in the system).

Exporting the Report

As this report uses the standard data-tables template, you have several options to export and manage the data. Use the buttons located at the top right of the results table:

- **Copy:** Copies the table data to your clipboard.
- **CSV:** Downloads the results as a comma-separated values file.
- **Excel:** Downloads the results as a formatted Excel spreadsheet.
- **Print:** Opens a printer-friendly version of the report.
